### Child Strangled

Wednesday last the body of a male infant was found in the water at San Mateo beach. The baby was wrapped in a cloth and then in a newspaper. The coroner was notified and took charge of the body which was not long in the water. An inquest was held Saturday at San Mateo but the verdict was postponed until an autopsy could be held.

In the meantime the suspicion of the District Attorney was directed toward a young Swedish girl named Johanna Islaas, employed as waitress in San Mateo, and she was finally led to confess that she was the mother of the child and had killed it. She said that she had strangled the child a couple of hours after its birth, and had thrown it into the bay at night. She stated that the child's father was a soldier whom she had met in Yellowstone Park, that his name was McCordia of Company F, Eighth United States cavalry and who had promised to marry her. She identified the body and was brought to this city and placed in the county jail.

The woman is either weakminded or devoid of feeling as she appears to have no remorse for having committed the unnatural crime.

The inquest was held yesterday and a verdict was rendered that the infant came to its death from strangulation at the hands of the mother.

### Summer School

The summer sessions of University of California, which opens on the 22d instant promises to be one of the most interesting and instructive that has ever been held in Berkeley. It is planned this year, more than ever before, to make the summer session, in the highest sense of the word, the people's university. Last year thirty occupations other than teachers and students were represented among those who took courses in the summer school. No formal examinations are required for entrance. Admission is granted to all persons of sufficient maturity and intelligence to profit by the exercises of the session. The tuition regardless of the number of courses taken is $15. This fee entitles the student the full privileges of the university library and also medical advice and hospital care without extra charge, in case of illness. The Bulletin of the summer session will be sent to any address upon application to the Recorder of the Faculties, Berkeley, Cal.

### "Betwixt Love and Money"

On behalf of the Congregational church, the four-act comedy drama "Betwixt Love and Money" will be presented at the Alhambra Theatre, Saturday evening, June 20th. The music between acts will be furnished by the Redwood City orchestra, and reserved seats will be on sale at Ryan's Drug Store next week. The play is exceedingly strong in dramatic situations but is relieved by pure comedy running throughout it The plot revolves around the heros love for his young wife and his desire to succeed to the immense wealth of his uncle who does not approve of his selection of a helpmate. Fortunately all ends well for the young couple who are re-united upon the death of the heartless uncle.

## COUNCIL SUBMITS NEW LIQUOR LAW

A large but quiet crowd was gathered at the city hall Monday evening in attendance at the adjourned meeting of the city council.

After the preliminaries had been disposed of, on motion of Beeger, seconded by Brown, the liquor ordinance which had been under consideration, was withdrawn and a substitute presented in which there were some alterations, to conform with the suggestions which had been made at the last meeting.

The principal change was the elimination of the clause which makes a protected zone around public schools churches and libraries.

The number of taxpayers whose names must be upon the petition for a license was reduced from ten to seven and special permits will be allowed, not more than twelve to any one firm during one fiscal year.

The proposed reduction of the license fee to $250. per year was not entertained as it was considered in so doing that the desire of the people, expressed at the late election, would be nullified as regards the reduction in the number of saloons in this city.

The vote upon the presentation of the ordinance was Merrill, Brown and Beeger "ayes"; Hynding and Havey, "no". Havey first voted aye on the question, but changed it to no.

The ordinance will come up for final passage Monday next at the regular meeting.

Beeger called attention to the machinery at the water works as being in bad condition. The committee on public utilities was directed to have the engine and one boiler put in order.

On recommendation of Hynding the same committee was directed to have the small roller repaired.

On motionofHynding it was directed that a fee of $1 per day be charged to outside parties for the use of the small roller, or water wagon, and that $12 per day be charged for the use of the steam roller; All damage to be paid by borrower. Applications must be presented in writing to the committee of public utilities and acted upon by the board.

Chairman Merrill was requested to communicate with the representatives on this coast, of the Federal government, for the improvement of the creek channel below the bridge.

Hynding of the public utilities committee was allowed traveling expenses for a trip to Watsonville to investigate the crushing of rock at that place in regard to the size of broken rock for streets.

The matter of securing a dumping place for garbage and the collection of same was placed in the hands of the committee of public utilities.

Chas. Barton applied for water and sewer connections at Eighth and D streets. Referred to public utilities committee.

At an adjourned meeting held on the 11th instant the town council accepted a bid for $5 for an iron tank that had been unused for several years.

The consideration of the liquor ordinance was continued to Monday evening as reported above.

### Dingee May Land Contract

According to telegraphic advice from Washington the Santa Cruz Portland Cement Company is the lowest bidder on an immense contract to furnish cement for the Panama canal, and it is confidently expected that the company will receive the reward. The total contract will involve a supply of 4,500,000 barrels. The Santa Cruz Company with which William J. Dingee is associated, offered to furnish the cement, either in whole or in part, at the rate of $1.183-4 a barrel, delivered at the dock in Oakland. A Pennsylvania company offered to furnish 500,000 barrels at $1.08, and another asked $1.19 per barrel. The economical shipping conditions will be taken into consideration and while it is true that the shipment of cement from New Jersey to Colon would be less expensive than from San Francisco to Panama, Dingee said that he believed the expense of transporting it across the isthmus from Colon to the western side would be against the Pennsylvania company.

### Alfred Todhunter

Rev. Alfred Todhunter, a former resident of this city died in Memphis, Tennessee, June 2d after a long illness. He was the father of Miss Eleanor todhunter and Mrs. T. Neeley of Alameda and Harold Todhunter of Port Gamdle. His wife died in this city December 19, 1903. Thirty years ago Mr. Todhunter was pastor of Christ Church in Alameda and afterwards lived on what is known as the Kellogg place back of Wellesley Park. At the time of his death he was rector of two parishes in Mississippi.

COUNTY OFFICIAL PAPER.

Saturday, June 13, 1908

D. E. O'KEEFE, Editor and Proprietor

The Republican Congressonal Committee offers $150 for the best article not exceeding 1,000 words on the subject:

WHY THE REPUBLICAN PARTY SHOULD BE SUCCESSFUL NEXT NOVEMBER.

The competition is open to all.

In judging the merits of contributions consideration will be given not only to style, arguments and facts presented, but to the convincing power, and it should be borne in mind that Members of Congress are to be elected as well as President and Vice-President.

No manuscripts will be returned but will be the property of the Committee.

The best article will be widely used both in the newspapers of the country and in pamphlet form.

The award will be made and check sent to successful contestant about August 15th. Manuscripts must be mailed not later than July 15 to

Literary Bureau,
Republican Congressional Committee,
Metropolitan Bank Building,
Washington, D. C.

Although the date of the republican convention is a little over three months off very little mention is made of the respective candidate for legislative offices. Hjlmar Holmquist appears to have a clear field for the nomination for he Assembly. Not other name is mentioned at present. He is a young orator that would reflect credit to the county in the lower house. He is an able debater, well versed in parliamentary law and a worker, one who always be up and doing. Mr. Holmquist, owing to his fine ability and education would soon be a leader of the Assembly. Furthermore he is strictly honest and his vote on all measures considerate and fair. With Hall C. Ross in the Senate and Hjlmar Holmquist in the Assembly this county would have a team that it might well feel proud of.

The following merry party attended the Good Roads convntieon at Santa Cruz last Saturday. They went in Giannini's big automobile. J. H. Coleman, A. P. Giannini, George Lyons, Edward Hoag, of the firm of Lyon and Hoag, Walter Hoag, J. E. Casey, John Wisnom, Paul Pinckney and Hall C. Ross. The party combined pleasure with politics and called on all the politicians in the Surf City. It was on the trip that Hall C. Ross announced his candidacy for the nomination of Joint Senator. The San Mateoites called on the Lieutenant Governor, Warren Porter, Watsonville, and were warmly received by him. Mr. Ross made a splendid impression upon that offcer and he no doubt wil use his influence to secure the nomination for the young attorney. San Mateo is entitled to the nomination this year, Santa Cruz having had the office for the past four years. Mr. Ross is an ideal candidate and would be elected if nominated and there is very little doubt that he will be able to land the persimmons as he has a strong following of Santa Cruz where the politicians look upon him with favor. He also has good backing in his home county. Senator Ross would be a credit to both counties in the Senate.

## Lacross Team to Go East

Charles W. Clark has announced that he will send the Talagoos, the San Mateo crack lacrosse team, on an Eastern trip, paying the expenses of the team. The Talagoos will visit St. Paul, Chicago, Buffalo, Detroit and several of the Canadian cities. At Montreal the team will play the Shamrocks. the champion team of the world, for the Minto cup. Fifteen men and a trainer will take the trip.

## Fourth at Santa Clara

The Santa Clara people will have a celebration on July 4th that will eclipse anything ever held there. There will be two bands from Santa Clara, two drum corps from San Francisco and the Redwood City band. The visiting firemen will be entertained at the hook and ladder house. Two halls have been placed at the disposal of the committee and one of them will be used as headquarters for Native Sons and Daughters. Souvenir watch fobs are for sale and every means taken to raise the amount of $3,000 which is deemed necessary to make the celebration a success.

## Eighth-Grade Examinations

Examination for diplomas of graduation from the San Mateo county grammar schools are being held this week. Geo W. Hall is conducting the examinations in Redwood. M. L. Benson is in charge in South San Francisco, Geo E. Britton is in San Mateo, Miss Leighton is at Halfmoon Bay while Roy W. Cloud is in charge of the examinations in Pescadero. About 148 pupils from the various schools will take the examinations. This is the largest number of applicants ever examined by the board of education in this county.

## Board of Trade Meets

The Board of Trade held an interesting meeting Tuesday evening. It was resolved in the interest of clean streets to recommend the placing of garbage cans at different places in the center of town. The board will also co-operate with the council in an effort to have the creek bulk headed and otherwise improved.

## Auto and Buggy Collide

A collision between an automobile belonging to J. G. Phelan of San Francisco and a buggy occurred recently near tthe Five Points. The buggy was wrecked and the horse badly injured while the front of the machine was scratched and a lamp broken. Mr. Phelan promised to pay for the damagees.

## Will Close Next Friday

The grammar school will close on the 19th instant. There will be exercises afternoon and evening, something different to what has been in the past. The vacation will last until Monday, August 10th.

A fire in San Mateo early Tuesday morning, destroyed a cottage owned by Wm. Hunt and occupied by Mrs. Edw. Morgan. The loss was about $3,500. No one was in the house at unknown.

At San Mateo Monday a license ordinance for saloons was given its first reading by the board of town trustees. The ordinance provides for a $500 license

### His Attempt Was Void.

They had been having a discussion concerning the necessity or otherwise of purchasing a new silk dress in order to be on a level with the De Moneys next door. Banks had vetoed the purchase on the ground of extravagance and want of funds, and his wife was much put out.

"Dinner ready, my dear?" he asked in his most conciliatory manner. Her face had been like a stale thunderstorm ever since the disagreement, and Banks wanted to change it.

"Yes," answered Mrs. B. shortly.

"Must try again," said Banks to himself. Then aloud: "Ah, I'm glad of that, my love. I have what the poets would call 'an aching void.' Sarah."

"You often suffer from headache," she returned in a cutting tone.

Banks drew his chair up to the table with unnecessary noise and refrained from further attempts at conciliation for the rest of the day.—Pearson's Weekly.

### Vista Grande Improvement Club Meet and Discuss Both Subjects

COLMA, June 10.—There was a large gathering of representative men and taxpayers of Jefferson school district at Brocken's hall this evening The meeting was called by the Vista Grande Improvement Association for the purpose of publicly discussing the matter of establishing a fire district and securing a water supply from the Spring Valley Water Company for said purpose. Also the question of the issuance of bonds to the amount of $30,000 for the purpose of erecting one or more school buildings in Jefferson school district. The two questions were thoroughly discussed. Those having seats on the platform were Hon. J. J. Bullock, Hon. J. E. Eikerenkotter, Hon. Charles Sundermann, Hon E. I. Woodman, Hon. W. J. Savage. District Attorney Bullock clearly explained the law in regard to the fire district and showed what preliminary steps thad to be taken. The matter of the bond issue was ably debated pro et con by W. J. Savage, Charles Sunderman, R. S. Thornton, Frank La Fayette and Henry Ward Brown. The latter opposed the bond issue on the ground that the amount of ithe issue was too large and further that there was nothing definite that the money so raised would be spent in the erection of one central school building or two smaller buildings. The trend of the debate was that the people present representing public opinion of the district were opposed to the board incallingfor an election as intended, but if the trustees would call a district meeting and give the people an opportunity to discuss where the school building or buildings were to be located and if said locality were satisfactory and the plans of the structures were approved there is little doubt a liberal sum would be voted for the purpose In case the present issue be defeated undoubtedly new proceedings would at once be commenced under the law. By a concensus of opinion one large building should be erected in the neighborhood of the Dailey hill between the Vista Grande tract and the Crocker tract. This would be entirely satisfactory to all concerned.

## Woodside Chips

Many from here attended the Chamareta at Halfmoon Bay last Sunday and all report a fine time.

J. Lowe of Redwood is sinking a well on the premises of J. E. Abecassis. The water question is becoming a serious one and a good many wells are being sunk as a result.

The dance last Saturday evening was not very well attended owing to so many other attractions. Another will be given the latter part of the month.

Haying is in full swing now. The crops are light this year but of good quality. On account of this country being bought up in small tracts the farming interests do not amount to much any more.

School closes Friday for the summer vacation. A number of the pupils will take the diploma examinations.

AntoneG aularte of Pescadero has purchased the McNulty place at Woodside. Since the death of Mr. McNulty some two years ago the McNulty orchard has been under the managememnt and cre of Henry Mantrain. Mr. Mantrain is still in charge and for the present at least will look after the interests of Mr. Gaularte. Improvements along practical lines are contemplated. Mr. Gaularte being a man of practical experience will no doubt enject new life into the old orchard.

The old Doyle place is also reported sold to a San Francisco business man. Here also extensive improvements are contemplated. A bungalow will immedatiely be erected. Also 5 acres of the Eva Clamer place has teen sold to the same party. Adding this purchase to the Doyle place makes that property most desirable.

Inquiries for Woodside property is very active. H. C. Tuchsen reports other sales under way.

## Will Take Place Tomorrow

A pretty home wedding will be solemnized tomorrow evening at the residence of Mr. and Mrs. W. J. Mellor, when their daughter, Miss Fannie Esther Mellor, will become the bride of William James Doyle.
